

HEAL THE WORLD

(Written and Composed by Michael Jackson)

There's a place in your heart
And I know that it is love
And this place could be much
Brighter than tomorrow
And if you really try
You'll find there's no need to cry
In this place you'll feel
There's no hurt or sorrow

There are ways to get there
If you care enough for the living
Make a little space
Make a better place

*

Heal the world
Make it a better place
For you and for me
And the entire human race
There are people dying
If you care enough for the living
Make a better place
For you and for me

And the dream we were conceived in (* repeat × 3)
Will reveal a joyful face
And the world we once believed in
Will shine again in grace **
Then why do we keep strangling life
Wound this earth, crucify its soul
Though it's plain to see
This world is heavenly
Be God's glow

We could fly so high
Let our spirits never die
In my heart
I feel you are all my brothers
Create a world with no fear
Together we'll cry happy tears
See the nations
Turn their swords into plowshares
We could really get there
If you cared enough for the living
Make a little space
To make a better place

(** repeat)

You and for me
(Make a better place)
You and for me
(Make a better place)
You and for me
(Make a better place)
You and for me
(Heal the world we live in)
You and for me
(Save it for our children)
